## POLICY TERMS AND CONDITIONS FOR AUDIT INSURE POLICY

### Insurer

The Policy is underwritten by QBE Insurance (Australia) Limited, ABN 78 003 191 035, AFS Licence No. 239545 of Level 5, 2 Park Street Sydney NSW 2000.

### Our agreement with you

This Policy is a legal contract between you and us. You pay us the premium, and we provide you with the cover you have chosen as set out in the Policy, occurring during the period of insurance shown on your Policy Schedule or any renewal period.

The exclusions in the section(s) headed 'When you are not covered' and conditions in the section headed 'General Conditions' apply to all types of cover.

### Your Policy

Your Audit Insure Policy consists of the Policy Terms and Conditions in this booklet and the Policy Schedule we give you. This Policy together with your Policy Schedule will provide a detailed description of the scope of cover, benefits and conditions that are applicable to the insurance protection provided to you. Once established, the Policy remains in force until it is terminated by you or us. Please refer to termination under the heading 'General Conditions'.

The Policy is structured to reimburse you for Professional fees incurred where your clients subscribe to your audit management service and are subject to an Audit by a government agency.

You may elect to offer whatever scope of inquiry, investigation, review or audit service to your clients as you wish, however, you may only recover under this Policy to the extent of the scope of cover provided.

On this basis, there could be gaps between the scope of service you may wish to provide to your clients and that recoverable under this Policy which means that you will have to self fund these gaps. You are not however providing insurance cover to your clients.

Please read your Policy carefully, and satisfy yourself that it provides the cover you require.

If you want more information about any part of your Policy, please ask us, or your Financial Services Provider.

The address and telephone number of your QBE branch are on your Policy Schedule.

You should keep your Policy Booklet and Policy Schedule together in a safe and convenient place for future reference.

### Paying your premium

You must pay your premium by the due date. If we do not receive your premium by this date or your payment is dishonoured this Policy will not operate and there will be no cover.

### Preventing our right of recovery

If you have agreed not to seek compensation from another person who is liable to compensate you for any loss, damage or liability which is covered by this Policy, we will not cover you under this Policy for that loss, damage or liability.

### How Goods and Services Tax affects any payments we make

The amount of premium payable by you for this Policy includes an amount on account of the GST on the premium.

The sum insured and other limits of insurance cover shown on your Policy documentation are GST exclusive.

When we pay a claim, your GST status will determine the maximum amount we pay.

When you are:

- (a) not registered for GST, the maximum amount we pay is the sum insured or the other limits of insurance cover including GST.
- (b) registered for GST, the maximum amount we pay is the sum insured or the other limits of insurance cover less any Input Tax Credit to which you are entitled or would be entitled if you made a relevant acquisition. In these circumstances, the Input Tax Credit may be claimable through your Business Activity Statement (BAS).

You must tell us whether you were entitled to claim an Input Tax Credit on the premium at the time of making a claim under the policy.

Where the settlement of your claim is less than the sum insured or the other limits of insurance cover, we will only pay an amount for GST (less your entitlement for Input Tax Credit) applicable to the settlement. This means that if these amounts are not sufficient to cover your loss, we will only pay the GST relating to our settlement of the claim.

We will (where relevant) pay you on your claim by reference to the GST exclusive amount of any supply made by any business of yours which is relevant to your claim.

GST, Input Tax Credit, Business Activity Statement (BAS) and Acquisition have the same meaning as given to those expressions in A New Tax System (Goods and Services Tax) Act 1999 and related legislation as amended from time to time.

Taxable Percentage is your entitlement to an Input Tax Credit on your premium as a percentage of the total GST on that premium.

## What you are insured against

The Policy covers audits on returns where the audits first occur, and are notified to us, during the period of insurance.

In consideration of the insured party being listed in the insured listing and the relevant premium having been paid, we agree to pay for professional fees reasonably and properly incurred, up to the limit of liability as represented in the insured listings, in connection with assisting in responding to or defending an audit of a return lodged with a government agency.

The words 'first occur, and are notified to us' means that, if during the period of insurance, you first become aware of an audit and you notify us during or within 30 days after the period of insurance, then we will acknowledge that a claim has been lodged with us. On the other hand, if you first become aware of an audit and you don't notify us during or within 30 days after the period of insurance, then there is no claim under this Policy.

In addition, if a claim occurs and was not notified to us during the last period of insurance and the policyholder has renewed their Policy with us and the specific client being audited has been re-listed as an insured party for a further 12 months, we will accept the claim and settle 75% of the professional fees being claimed.

Cover does not apply to anything which, prior to the insured party being listed on the insured listing, you or the insured party knew, or ought reasonably to have known, was likely to give rise to a claim under this Policy.

## Insured parties

Where your clients participate in your audit management service and you wish to be compensated by this Policy, your clients need to be listed as an insured party on the insured listing and reported to us on a monthly basis together with the relevant premium.

Fees/premiums or fees/premium changes will be advised to you from time to time and displayed on the website.

Insured parties will be insured for a period of 12 months (i.e. period of insurance) from the month of their details appearing on the insured listing. At the end of 12 months, insurance ceases for each insured party and they need to further participate in your audit management service to be relisted again to ensure continuation of cover for a further 12 months.

It is important to note that this Policy does not cover the costs of responding to audits of any insured party unless the Policy is current and the insured party is listed on the insured listing and we have received payment of the premium.

## Conduct of an Audit

The insured party must assist you or any other professional you may engage on their behalf to provide any information and documentation reasonably required for the management and payment of claims under this Policy.

You must take all reasonable action, including the utilisation of relevant staff for the work to be undertaken and apply standard hourly rates, so that professional fees incurred are fair and reasonable for the type of audit being managed.

We shall be entitled to obtain any information, report, document or advice relating to the audit from you or from the insured party or their representatives, subject however, to your and their right to refuse to agree on the grounds that to do so might prejudice your or their interest in any litigation subsequent to the audit or the information or documents are deemed sensitive information and are not relevant to assessing and administering a claim.

## When you are not covered

### General exclusions applying to this Policy

We shall not be liable to make any payment:

- (a) in respect of returns lodged where the Insured Party is seeking a refund of tax or duty that involves further substantiation between the Insured Party and the relevant government agency. This exclusion doesn't apply where the relevant government agency submits the insured party to an official review or audit

- (c) in respect of any audit where the culpable behaviour of the insured party is assessed by the government agency as a case of deliberate evasion or recklessness
